

In the fall of 1948 **Bill Cunningham** (1917-2003) newly hired Los Gatos Art Teacher, and **Dr. Arturo Fallico**, San Jose State Professor of Philosophy, were planting the seeds for the Los Gatos Art Association. Both were teaching Art, adult education, at Los Gatos High School. Their discussion of a need for a visual arts group led to three organizational meetings chaired by Bill Cunningham. Dr. Fallico would become our first President with Bill Cunningham our first Vice President.
